C. New Glarus EMS budget discussed – will call for more information
Bridge – will probably not be completed until November
Budget will be discussed at October meeting
4. Public comments or Other Business
Signs rented for bridge closure are very expensive. Have been returned and borrowed from County. Will also purchase some for the town.

Comment on Steve O'Connor's request for a driveway – why would we not try and keep him farming instead of chasing him out.

Sign violation discussed. We have no sign ordinance. Why does Board go to County for everything. Dispute should have been between the two parties. Does this mean everyone will now have to remove signs or move them if they are in right-of-way.

What has been spent on lawsuits to date? No information is available.

John Varda requested he be put on the October agenda to discuss various items.
5. Mt. Horeb Fire District – Judd and Garfoot will attend annual meeting on September 26 of the fire district. Will discuss at October meeting.

7. Duane Wagner – appeared before the board to discuss site view held on September 15. He would like to measure slope himself and will mark location of driveway as recommended by the County with an orange stake. He will be back in the spring to discuss further.
8. Dennis Tucker – Cancelled his appearance at the board meeting.
9. Steve O'Connor – O'Connor appeared once again to ask the Board to reconsider their denial of a driveway. He is asking for a variance as other residents of the town have received. He was asked if he had any new information to offer. He was told that he could have objected to some recommendations of the Land Advisory Committee but O'Connor stated that Jonathan Barry discontinued the discussions.

Garfoot made a motion to table O'Connor's request until he has new information, second by Elkins. Motion carried.

10. Steve Ottman – Discussion continued on Ottman's request for a house site, necessary work to be done on driveway, farm income, etc. The Board's written denial was discussed. Varda stated that Appendix A & B were not available to him or the Ottman's. Reynolds suggested another site view or to sign the denial and move on. The denial was signed and will be submitted to the judge.
11. John Oltman – Sign Violation – Oltman stated that the sign has been there for approximately 25 years and should be a non-conforming sign.
